2012 Spouses' Program

Enjoy the sights, sounds and feel of the Islands with the HALE O MALO POLYNESIAN REVIEW. This crowd pleasing group has been entertaining audiences around the country since 1997.

They bring songs, costumes and dances from Hawaii, Tahiti, Samoa, New Zealand, Tonga and Fuji.

From the ceremonial blowing of the conch shell at the beginning, to the last dance, this group will have you rapt in the feel of the Islands. You may want to bring that Hawaiian dress or shirt you have hanging in your closet with no place to wear it to and help add to the atmosphere.

There will be mystery games and door prizes to follow, so bring a door prize to share.

As always, a great luncheon is part of the program.

Join us for what is sure to be a fun filled event.

OTHER ATTRACTIONS

The Grand Geneva and the Lake Geneva area offer a wide variety of things to do while you're in the area. Skiing, (downhill and cross country), skating, snowboarding, snowshoeing, sleigh or hay rides, rock climbing, a gym and full service spa are all right in the Grand Geneva campus.

Lake Geneva offers great shopping with several specialty shops, canopy tours that take you by zip line through the treetops, and several venues with live entertainment.

We hope that many of you will take this opportunity to enjoy a truly 1st class venue for our convention. Use it as an "end of winter" mini vacation for the whole family, because if you choose to stay at the Timber Ridge Lodge, there are family suites available with cooking facilities, a water park and other children activities. All for the same room price as the main lodge.

Join us for what is sure to be a very unique convention experience.
