

**APPLICATION FOR WISCONSIN STATE FIREFIGHTER'S
ASSOCIATION 2011 SCHOLARSHIP
(Deadline is February 1 of each calendar year)**

QUALIFICATION REQUIREMENTS: (Qualifications Listed Below Are Very Important or Could Be Disqualified)

- 1.) This scholarship is open to anyone that is interested in continuing their education in the fire service, whether a member of the Wisconsin State Firefighter Association (WSFA) or not. However, priority will be given first to those applications that are members of the WSFA in good standing.
- 2.) The candidate must have a high school diploma or equivalency to be eligible and must plan to begin his or her first year of college or vocational training in the field of firefighting in the fall immediately following award of the scholarship. This scholarship is also open to anyone presently attending college/vocational training to continue his/her education in the field of firefighting. Those that have previously been awarded this scholarship are also eligible to re-apply for another award if continuing their education in the field of firefighting.
- 3.) The candidate must have maintained a "C+" (2.5) or better grade point average. Preference will be given to students who have financial need, and who have not received many other scholarships.
- 4.) An update or progress report will be required from each winning applicant following the completion of the first year of schooling. Failure to receive a progress report will disqualify the applicant from receiving future scholarships to further their education.

TO BE COMPLETED BY APPLICANT
